Route description: Start at Nykøbing Falster railway station towards the Zoo **(1)**. Follow route **418** along the golf course **(2)** to Idestrup. Here there are church, supermarket Coma and pizzeria **(3)**. Route **418** goes on to Ulslev where you turn left towards Ulslev Beach. At the end of Østersøvej is a cosy nature playground for the children, a fine bathing beach, toilet and lunch basket house **(4)**. From here you follow route **418** to the south to Marielyst past Ulslev Strand Camping **(5)**. In Marielyst there are many shops, activities, accommodation and restaurants and a beautiful newly built marketplace and a nature playground **(5)**. Follow route **417** to Bøtø to Lupintorvet, stop at the cozy church Strandkirken and at Lupintorvets nature playground **(8)**. Continue on Lupinvej past Marielyst Familiepark **(9)** and the active Marielyst Go-Kart Center **(9)** to Marrebæk. Here is Coma supermarket and a picnic area with tables and benches. Continue on the bicycle path to the North, do for instance visit Bøtø Nor Gl. Pumpestation which is situated at Marrebæk canal. Here you turn left on Radbjergvej (NB! Watch the train rails before the little village of Radbjerg) through Radbjerg to Væggeløse hill **(11)**. Here is a very nice view over Guldborgsund to Lolland. Follow route **418** over Hasselø **(12)** **(13)** and drive along Guldborgsund back to Nykøbing Falster. We recommend a visit to the Medieval Center 3,5 km and Fuglsang Art Museum 9 km. Both are situated to Guldborgsund on the Lolland-side.
