### Attractions:

1. The gallery grave lies on the back of a deserted lot and it is laid around beautiful stones, which form seats outside the gallery grave.
2. Toreby Church (road church), Toreby Købmand, fruit shop and Ma' tanken and JohnJohn's Café. In the church you can see a cross group from about 1250 and frescos in the sacristy from about 1400.
3. Radsted Church. The church has a tower of 56 meters and can be seen from afar. The oldest part of the church originates from about 1200. Radsted Bed & Breakfast and kiosk.
4. Berritzgård is for the first time mentioned as main building in 1382. (Fruit shop at Lolle's Frugt, Gl. Killerup 8).
5. In Oreby there is the old shipping harbour, old silos, old inn from 1847, Oreby Mill and Oreby Castle from the 14th century (not open to the public).
6. Sakskøbing is mentioned as town from 1270. The harbour is resort for many houseboats. On the market place you can for instance see the bronze sculpture of the Roepiger by Gottfred Eickhoff and the Paraplypige of Lise Ring in front of Sakskøbing

Church. The smiling water tower "Saxine", Sakskøbing Hotel, the youth hostel, camping site and swimming baths.

7. Detour to Ecological Visit farm and farm shop
8. A visit to Haveskoven at Krenkerup can be recommended, a small woodland area with free entry before Krenkerup manor with, for instance, some of the oldest beech trees in Denmark within about 400 years. Here are many dead trees, which give the area a jungle look.
9. Krenkerup Manor is one of the oldest and biggest on Lolland-Falster and dates back to the 14th century. The castle was not built before 1546. Today it is a modern farm and forestry with a brewery. [www.krenkerup.dk](http://www.krenkerup.dk)
10. View tower at the Flintinge creek. Rest area.
11. At Priorskov Manor you can buy presents/things for your home in the beautiful old half-timbered house from the 17th century.
12. Bytræet (the town tree), which is a chestnut, was planted in 1934 and was a historic rendezvous for the young people.
